HERE ARE THE GUIDELINES FOR THE FUNDRAISER:

- Rewards will be added to your account at the conclusion of the fundraiser. A specific time will vary, and is based on the total amount that is fundraised.
- Rewards are good for ONE account under the email used to donate in the fundraiser. This means your email used to donate MUST match your email used to register your account on Pixel Park. Please comment in your username.
- Some rewards stack depending on your donation amount. Premium Membership does not stack. For example: M donates \$60.00, M will be rewarded 8 months of Premium Membership, 60,000 Stars, and 2 rare items.
- Users may donate more than once. The total dollar amount between all of your donations is what will go towards your reward.
- Your account on Pixel Park must be in good standing.
- Donors do not have to have a registered account on Pixel Park, however donors that do will be given rewards based on their donation total.
- If you have specific questions, please direct them to [support@mypixelpark.com](mailto:support@mypixelpark.com).
