We firmly believe that inclusion creates diverse and powerful communities. Never before have we not considered everyone, and we will continue to stand by our fans, supporters, developers, and community. ~M

WILL IT BE WORTH THE WAIT...?

Written by Eliminate

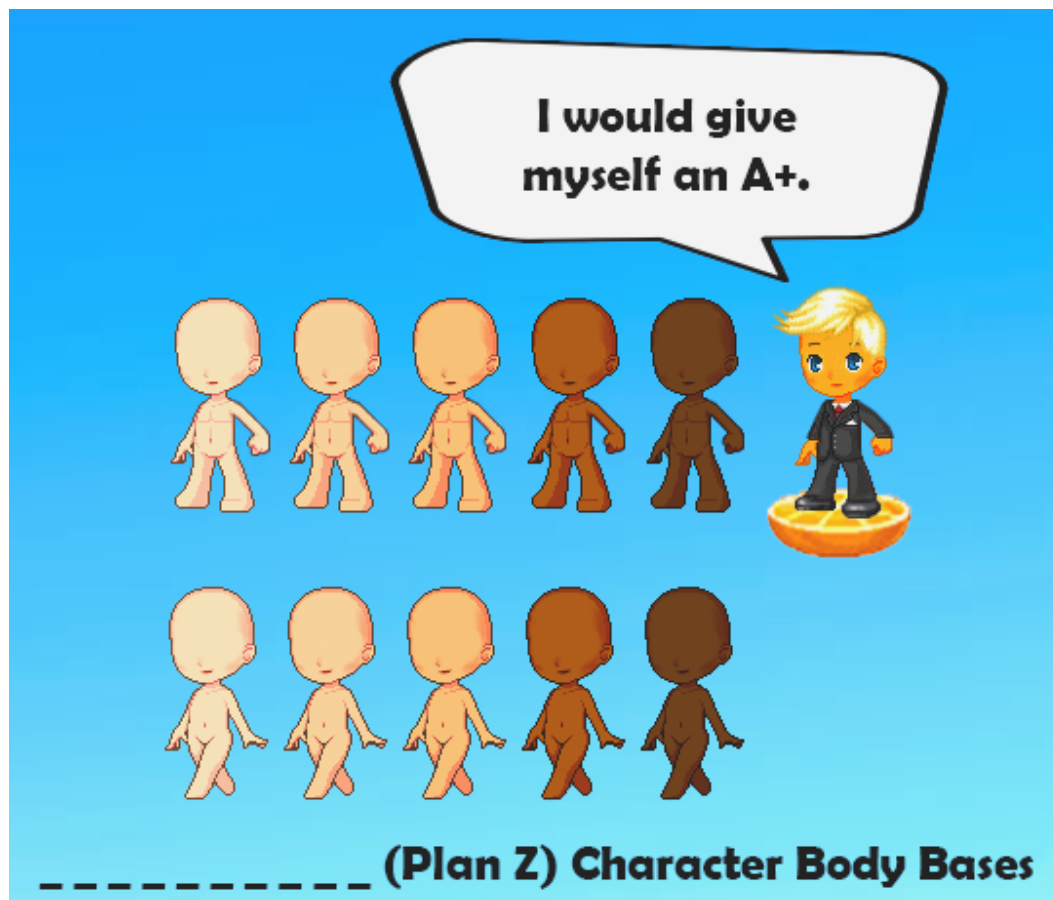

Within the Fantage Community Discord Server, M has sent a spoiler into the discussion channel. What does this mean? It means we may have a possible loading screen when possibly logging in or signing up? Who knows?

DIFFERENT SERVERS?

Written by Eliminate

By the looks at it, we will be having 4 or more servers, and stars may represent the fullness of the server? The side looks like it could say which buddy is online? Oh! This is so exciting! The background looks like Fantage's don't you think? What are other things you notice?

Looks like M really likes the new bases & colors!

He's even made a little edit with the Fantage CC hair.

There's not that much to update at the moment. So, the first two newsletters may seem a bit boring.
